Dear Parents of BHS Seniors,

Congratulations on reaching this important milestone in your life. Your senior yearbook portrait is the final, and most important school portrait. It will appear over and over again in your life and for many, it is one of the few times you will have the opportunity to have a professional retouched formal portrait created. **This wonderful opportunity is provided to you for FREE with no cost or obligation to buy anything.**

Your senior yearbook portrait date and time has been scheduled between October 9-11. You can view or download your scheduled date and time on our special website: BHS2026.com. If your assigned appointment time does not work because of school sports, work, or other commitments, please contact the studio to re-schedule your appointment for another one of these photography days or your senior will automatically be added to the ***"final make-up picture day schedule"***, for Friday, October 24th. ***Please do not call the school with senior portrait questions, email or leave a message with us.***

On the day of your session, each senior will be given time to prepare to be photographed. For all the seniors to look their very best in the yearbook, special clothing items are provided for your use during the session. Girls will wear a formal top (also known as a wrap or drape). Boys will wear tuxedo shirts, ties, and jackets. As an alternative, girls may bring their own solid black sweater or solid black blouse with no print or pattern, and boys may wear their own white dress shirt and solid black tie. Boys may also use their own solid black sport coat, suit jacket, or the provided tuxedo jacket. Girls may also opt to wear the provided tux shirt, tie, and jacket.

What to bring and wear to your appointment: Boys must bring, or wear, a plain white t-shirt (no printing on front) to wear under the tuxedo shirt and jacket. Girls must wear a blouse that can be pulled off the shoulders, or bring an off the shoulder top, or tube top they can change into to be worn comfortably under the provided formal wrap top. Please bring your own hair comb or brush. We cannot provide these items. It is very important you smooth and arrange your own hair. We cannot retouch stray or flyaway hair. **Portraits will be taken in room J-3 on the BHS campus.**

During the portrait session: eight to ten poses will be taken. A few days after your portrait session, you will be able to view your images and select your yearbook pose online by visiting BHS2026.com. If you don't have access to the Internet, we can arrange to mail proof images and order form to mail in your yearbook pose selection. If we do not receive your pose selection by the deadline, our staff will carefully choose the best pose and deliver your retouched image to the yearbook. You can order beautifully retouched portrait print packages and retouched digital image files from these images anytime in the future.

Please take a few moments to mark your calendar with the date and time of your senior portrait photography session. If you would like a wider selection of poses and clothing choices, we also offer deluxe studio and location portrait sessions that can be scheduled at your convenience. If you have any questions, please **visit our special website at BHS2026.com for all the details!**

Best regards, Donna Hocker, Studio Manager

Keep this as a reminder of your portrait appointment.

All Portraits are being taken at Burroughs High School, in Room J-3. Signs will be posted to help direct you to that location.
