Dear Parents (This is a copy of the letter sent to your home)

Congratulations on reaching this important milestone in your life. Your senior yearbook portrait is the final, and most important school portrait. It will appear over and over again in your life and for many, it is one of the few times you will have the opportunity to have a professional retouched formal portrait created. This wonderful opportunity is provided to you at no cost or obligation to buy anything.

Your senior yearbook portrait date and time is shown at the bottom of this letter. You can also download or view the schedule on our website. If your assigned appointment time does not work because of school sports, work, or other commitments, please contact the studio to re-schedule your appointment for another one of our photography days or our "final make-up picture day" the morning of Friday, October 5. ***Please do not call the school with senior portrait questions.***

On the day of the session, each senior will be given time to prepare to be photographed. For all the seniors will look their very best in the yearbook, some special clothing items will all provided for your use during the session. Girls will wear a formal top and the boys will wear tuxedo shirts, ties, and jackets. As an alternative, girls may bring their own solid black sweater or solid black blouse and boys may wear their own white dress shirt and solid black tie. Boys may also use their own solid black sport coat or suit jacket or the provided tuxedo jacket.

What to bring and wear to your appointment: **Boys** must bring a plain white t-shirt to wear under the tuxedo shirt and jacket. **Girls** must wear a blouse that can be pulled off the shoulders, or an off the shoulder top, or tube top that can be worn comfortably under the provided formal top. Please bring your own hair comb or brush. We cannot provide these items. It is very important you smooth and arrange our own hair. We cannot retouch out stray or flyaway hair.

During the portrait session, six to eight poses will be taken. A few days after your portrait session, you will also be able to view your images and select your yearbook pose online by visiting BHS2019.com. If you don't have access to the Internet, we can mail proof images and an order form to you. You can also call with your yearbook pose selection. If we do not hear back from you by the deadline, our staff will carefully choose the best pose and deliver it to the yearbook. You will also have the opportunity to order beautifully retouched portrait prints from these images.

Please take a few moments to mark your calendar with the date and time of your senior portrait photography session. If you would like a wider selection of poses and clothing choices, we also offer deluxe studio and location portrait sessions that can be scheduled at your convenience. If you have any questions, please **visit our special website at BHS2019.com for all the details!**

Best regards,
Donna Hocker,
Studio Manager

Keep this as a reminder of your portrait appointment

All Portraits are being taken at Burroughs High School, in Room D29A
