Dear Burroughs Senior Parents,

We all know it's been a crazy year and we are all doing our best to make it as "normal" as possible. Your senior yearbook portrait is the final, and most important school portrait. It will appear over and over again in your life and for many, it is one of the few times you will have the opportunity to have a professional retouched formal portrait created. This wonderful opportunity is provided to you at no cost or obligation to buy anything.

Every Burroughs Senior is being photographed for the senior section of the yearbook. Your senior yearbook portrait date and time is shown at the bottom of this letter. You can also download or view the schedule on our website. If your assigned appointment time does not work because of school sports, work, or other commitments, please contact the studio by email to re-schedule your appointment for another one of our photography days or our "final make-up picture day" the afternoon of Friday, December 11. ***Please do not call the school with senior portrait questions, email or leave us a message.***

On the day of your session, MASKS ARE REQUIRED UNTIL PHOTOGRAPHED, special COVID-19 protocols will be followed, and each senior will be given time with social distancing to prepare to be photographed. In order for all the seniors to look their very best in the yearbook, carefully sanitized clothing items will be provided for your use during the session. Girls will wear a formal black wrap top and the boys will wear tuxedo shirts, ties, and jackets. As an alternative, girls may bring their own solid black sweater or solid black blouse and boys may wear their own white dress shirt and solid black tie. Boys may also use their own solid black sport coat, suit jacket, or the provided tuxedo jacket. Each clothing item is being sanitized between uses.

What to bring and wear to your appointment: **Boys** must wear or bring a plain white t-shirt to wear under the tuxedo shirt and jacket. **Girls** must wear a blouse or top that can be pulled off the shoulders, or an off the shoulder top, or tube top that can be worn comfortably under the provided formal top. Please bring your own hair comb or brush. We cannot provide these items. It is very important you smooth and arrange your own hair. Under our current conditions, we cannot touch you or retouch stray or flyaway hair.

During the portrait session, six to eight poses will be taken. A few days after your portrait session, you will also be able to view your images and select your yearbook pose online by visiting BHS2021.NET. If we do not hear back from you by the pose selection deadline, our staff will carefully choose the best pose and deliver it to the yearbook. You will also have the opportunity to order beautifully retouched portrait prints and digital files from these images.

Please take a few moments to mark your calendar with the date and time of your senior portrait photography session. If you would like a wider selection of poses and clothing choices, we also offer deluxe studio and location portrait sessions that can be scheduled at your convenience. If you have any questions, please **visit our special website at BHS2021.NET for all the details!**

Best regards,
Donna Hocker, Studio Manager

Keep this as a reminder of your portrait appointment

All Portraits are being taken at Burroughs High School, in Rooms N50 and N57.

Please Do Not Arrive Early, to Maintain Social Distancing, Masks are Required
